NOTES: ALL PATCHES, TAPES, RIBBONS, AND INSIGNIAS ARE REQUIRED.
Please do not bring cords with your uniform.

All uniform and clothing items listed are a minimum. Cadets may bring as many as are required and they are able to carry.

Each cadet will be issued one PT Shirt and one PT Hoodie. PT Shirts will be washed throughout the week. Fatigues may be washed on an as needed basis.

Cadets must carry their own baggage from the registration area to their lodging (including stairs and gravel walkways). Rolling bags and travel-size items are strongly recommended.

Cadets are required to keep track of their own gear. Water sources (camelbacks, canteens, waterbottles) are required to be able to be carried hands free (they may be put in the cadets backpack). Each cadet's name should be on all of their belongings. High-value items are strongly discouraged. **Vermont Wing and Camp Ta-Kum-Ta are not responsible for items that are lost or stolen.**
